Application for Limited Permit

Applicant Instructions

1. You may file an application for a limited permit to practice pending receipt of the license with or after submitting an Application for Licensure/Authorization (Form 1 and fee) as an occupational therapist or occupational therapy assistant in New York State. A limited permit authorizes practice as an occupational therapist or occupational therapy assistant under the supervision of a New York State licensed, currently registered occupational therapist or physician with the endorsement of the employer. Be sure that your prospective employer and supervisor fully complete Section II, Employer Certification of Supervision.
2. Complete Section I in ink. Be sure to sign and date item 9. **Note:** Once limited permits are issued, the starting date may not be adjusted. You should be certain you are ready to begin practice when you apply for the limited permit.
3. Your permit cannot be issued until we receive and approve all required documentation. You may not begin practice until your limited permit is issued. A limited permit is valid for one year and may be renewed for an additional year upon submission of an explanation satisfactory to the Department as to why you failed to become licensed within the year of the original permit.
4. If you change employment or supervisor after a permit is issued, you must obtain a new permit and, with each prospective employer/supervisor, complete a new Form 5 and return it to the Office of the Professions. A new fee is not required for a permit issued as a result of a change in employment.
